STILL WATERS is a collection of short stories beginning with "*Somewhere In Between*," and ending with "*No More Goodbyes*." Listed are a few of the moving stories you'll find and love.

"ENDINGS AND BEGINNINGS" gives a short visual account of a young woman in a train station and how she decides to escape her past and move toward her future despite life's turmoil and uncertainties.

"CAMP KENNESAW TOURNAMENT" is the story of a young boy who wants to win a gaming system but needs a partner to participate. Because he doesn't have any friends and doesn't fit in, he is faced with having to overcome his fears if there's any chance of winning the prize.

"THE 9 LIVES OF CHARLES -1st and 2nd LIFE" are excerpts taken from the Miniseries about the life of Charles. He goes to bed only to wakes up in another geographical area and year. He will continue to lose one of his lives unless he finds a way to dying.

"THE WRITER'S ROOM" tells the journey of how Jason learns he is dying but has not told his wife. Our story will share the possibilities of what can happen when you find a way to rewrite your story and change the future for others as well.

"SOMEWHERE IN-BETWEEN" explores the relationship of Justin and Daphne. They wake up after a long night, only to find that they've changed and ended up in each other's bodies. They'll face some truths about themselves and decide if they are dreaming or if what they're experiencing is true.
